Yvette,

So am I to use the 319033 profile for the mercoid switch, and then complete the other profile for the battery?

Hi Michelle.

I checked on the mercury devices (mcma) vs mercury metal (mc-hgmt) and we can use the existing MC-MA vs (MC-Hgmt since they are the same)

For Drake site the mcma profile is 319033.

Thank you.
